## April/May 2013

**Hidden or Forgotten Lincolnshire Day**— 30th April, 2013 - a guided walk around the Brocklesby Estate in the morning. The Brocklesby Estate comprises in excess of 27,000 acres. It is a traditional agricultural estate with a substantial acreage of woodland. The Pelham family came to Lincolnshire in 1565 and the Estate is now owned by the Eighth Earl of Yarborough who resides with his family at Brocklesby Park. The 1000 acre Park and woodlands were laid out in the 1770's by Capability Brown and the planting of the woodland was initiated by the First Baron Yarborough. The 128ft high Pelham's Pillar, situated at the south end of the Estate, near Caistor, was built by E J Wilson between 1840 and 1849, commemorating the planting of 12.5 million trees. Annually approximately 30 acres of mature timber are felled and replanted. Meet at Great Limber car park 10am, walk with Jean Howard to start at 10.30am. Village Hall will be open from 11.30am.

The guided walk will be followed by lunch at **Great Limber village hall**. In the afternoon there is to be a talk on Lincolnshire Superstitions. There will be a quiz, a plum loaf competition, (to bring on the day, the catering committee to judge this), and a raffle. Price £12.00 - Members can come for lunch and the talk in the afternoon if they don't want to do the walk. The lunch will have a "Lincolnshire" theme. Contact WI House for further details or see flyer.

**Golf Day at Grange Park** - organised for Thursday 16th May. Come and have a go on the driving range! Coffee available at 10am - cost £20 to include Soup and Sandwiches.

### **Chairman's Blog**

This is my last blog, in April I hand the baton to another member of the Board. The time has flown and I have enjoyed it but after three years I feel it is time to pass it to someone else. I don't know how my husband will cope with a fulltime wife again. He has been very understanding and supportive.

We have made a few changes both in the running of the Federation and at WI House in Brigg. I can't take the credit for it, it was very much a team effort and I have had an incredible team. The membership and number of WI's has grown due to the hard work of the Membership Committee. I want to thank you all for the support you have given me and the warm welcome I have received from all the WI's I have visited. Please continue supporting the Federation in all the events they organise, they do it for you and there is a lot of work involved in arranging these things.

I'd like to thank our Treasurer, Karin who works very hard to keep the federation funds in order and give us the best value for our money.

Lastly I want to thank the Board and our secretaries past and present, without them I could have not done my job. Thank you **Lesley Jacklin**.

### **Arts, Sports and Leisure**

**Outing to Wentworth Castle** - 25th June, cost £18. Price to include coach, and a guided tour of the castle. You will be free to explore the gardens which contain the National Collection of Magnolias, the National Collection of Williamsii Hybrid Camellias, and the National Collection of Rhododendrons and Hardy Hybrid Rhododendrons. There is also a gift shop and the Terrace Tea Rooms. There are also several walks around the parkland to see the Deer.

**Trip to York** - September 2013 - Date and price to be arranged.

**Valerie Lancaster**

### **Federation Choir**

The choir is small and sounds very good but we do need more members and if we do not get a pianist by May I fear we will have to finish. If you know of anyone who would be willing to play for us please let the office know. They do not have to be a member or indeed female. We meet at St John's Hall Brigg fortnightly on Wednesday afternoons. Please ring the office for further details. **Lesley Jacklin**

### [New Holland WI](#)

New Holland WI had the pleasure of listening to the 'Ladies in Pigs' at their most recent meeting, held in their new venue of New Holland Primary School. Tasty pork recipes including Pork and Noodle Stir-Fry, Creamy Mustard Pork and Sausages with Honey and Tarragon, were freshly created before our eyes, then eagerly taste-tested! The Ladies in Pigs, represented by mother and daughter team Sue and Gemma Woodhall, spoke informatively on the importance of being able to trace meat from field to fork. They explained how the Red Tractor logo guarantees that produce has been grown or raised on farms that meet high standards of food safety, hygiene and animal welfare. This enables people to support our own farmers by purchasing food that has an independently verified guarantee of origin. Visitors were welcomed from East Halton WI, Barton Bells WI, Great Coates WI and Staff of New Holland School.

### [Burton Upon Stather WI](#)

The members of Burton-upon-Stather WI celebrated their 95th Birthday on 19th February with a delicious carvery style lunch prepared by Sandra Bishop and her staff. The ladies enjoyed a glass of wine and made a toast to "absent friends". A birthday cake beautifully made by Tracey Mumby was cut by Federation Chairwoman Lesley Jacklin who was helped by past presidents June Drury, Pam Ashton, Heather Williams and current president Maureen Adkin. After lunch the ladies were entertained by a DVD of a 1992 WI Christmas Concert Party, which was very funny and brought back happy memories. There was a display of archive material available for the members to browse through. A raffle was provided by committee members. Everyone enjoyed a pleasant afternoon with friends hoping that Burton WI continues for another 95 years.

### [Membership Committee](#)

A reminder that April is the month to update your MCS register. Do also remember to save anything you put on! We opened a new WI in Scartho just outside Grimsby this month. Until a few years ago, there was a successful WI there, which unfortunately we had to close. However, one of our recent membership enquiries was from a young lady wanting to set up a WI again in the area. Lots of enthusiastic ladies, of all ages, turned up for the initial meeting, so our 41<sup>st</sup> WI is now under way.

### [Denman News](#)

I have just been to Denman as Host and the place was buzzing with four great courses on offer and lots of day visitors. There were even three men in the Italian Cookery class. There have been no updates on the future of Denman but bookings are up. There are lots of great new courses and tutors, and everyone there is working very hard to succeed. In April and May there is a Bulb Festival at the college. A host of daffodils, tulips and crocuses were planted last Autumn and will be on show in the grounds and to celebrate a range of flower themed courses have been organised, so you can try a new skill and enjoy the glories of the garden at the same time. I was very disappointed that our Federation visit had to be cancelled due to low numbers so if anyone has any suggestions or ideas to encourage members to go then please contact me by email. The new brochures are out and you can request one from the College or from Federation House, Brigg and full details are the website.

## Editor's Blog

I received a very warm welcome when I went to **Kirton in Lindsey WI** in February to give a short presentation about my role as a digital champion. I have also been helping individual WI's in setting up their own websites.

Four ladies from **Roxby W.I.** braved the cold weather and attended an internet training session at W.I. House. It was a fun morning and we are to meet again in April. Please contact me if you would like to book a training session, or need help with your website!
